DIARY NOTES

DD/S

24 August 1965

25X1A

1. [REDACTED] asked if the Director wanted his picture and biographic data included in the new recruitment brochure. [REDACTED] advised that the Director wants no pictures of himself, no biographic data on himself or any Deputy Director, no Kennedy letter, nor any information which discloses internal activities of the Agency. I passed the Director's requests back to [REDACTED]

25X1A

25X1A

We decided to compile a brochure which would make no reference to the Director. (I will get together with Bob and Emmett to put together the brochure.)

2. I have checked several times with the Office of Security about the
